

What is a Playsheet?

A playsheet is your quick, strategic game plan to level up your academic skills. It helps you reflect, apply, and take action on what you've learned — just like a pro gamer prepares for their next match.

ARI Playsheet #03: Player Insights – Boost Your Academic Performance

Key Moves (Summary)

- Reflecting on feedback helps you identify strengths and areas for improvement.
- Feedback isn't criticism — it's a tool for levelling up.
- Understand what the markers are really saying — look for patterns across comments.
- Use feedback to guide your next assignment or improve specific skills.
- Don't ignore positive feedback — recognise what you did well and aim to repeat it.
- Talk to tutors if feedback is unclear; asking shows initiative.

Player Insight (Reflection Prompt)

Think back to your most recent feedback — what was one strength mentioned and one thing to work on?

Power-Up Action (Practical Task)

Pick one piece of feedback from a past assignment and write down how you'll apply it to your next task.

XP Log (Write Something Down)

This week, I will...

Have fun learning!
