

## What is a Playsheet?

A playsheet is your quick, strategic game plan to level up your academic skills. It helps you reflect, apply, and take action on what you've learned — just like a pro gamer prepares for their next match.

## ARI Playsheet #14: Stage Ready – Crafting Class Presentations

### Key Moves (Summary)

- Planning your presentation carefully helps keep your audience engaged and your message clear.
- Structure your talk with a strong introduction, clear main points, and a memorable conclusion.
- Use visuals to support your ideas, but don't overload slides with text.
- Practice your delivery to build confidence and timing.
- Engage your audience by asking questions or including interactive elements.
- Handle nerves by preparing thoroughly and focusing on your message.

### Player Insight (Reflection Prompt)

*What's your biggest challenge with presentations, and how can you overcome it?*

### Power-Up Action (Practical Task)

*Prepare and practise a short presentation on a topic you enjoy or know well.*

### XP Log (Write Something Down)

*This week, I will...*
